

COVID-19 Policies: Adult Program Participants

Keeping our staff and students safe is a top priority and everyone must do their part. These policies have been developed by the Board of Directors with the intention of making our spaces as safe as possible for our community, which includes many (yet to be vaccinated) children and seniors. If you contract COVID-19 while you are enrolled in a class, we ask that you inform ABC/MMA staff as soon as possible and do not attend any in-person programs if you have any symptoms, regardless of testing and vaccination status.

Masks: When indoors, all staff and students are required to wear a mask that covers the nose and mouth.

Vaccinations: As of Oct 6th, all staff and students attending in-person adult programs will be required to provide proof of a COVID-19 vaccination before attending. MMA students should send a photo of their vaccination card to cshea@agassiz.org. LWN students can send a photo of their vaccination card to kdalton@agassiz.org.

Vaccination Exemptions: If you are unable to get vaccinated because of health or sincere religious reasons, you will be required to show proof of a negative COVID-19 test that was taken in the 72 hours prior to the class each week.

Health Screening: We ask that you do not attend classes if you are experiencing any COVID-19 symptoms, regardless of how severe. Please make sure you can answer “no” to these questions before attending class:

In the last 24 hours, have you or any household members experienced any of the following symptoms:

- Fever (temperature of 100.0° F or above), felt feverish, or had chills?
- Cough?
- Sore throat?
- Difficulty breathing?
- Gastrointestinal symptoms (diarrhea, nausea, vomiting)?
- Fatigue?
- Headache?
- New loss of smell or taste?
- New muscle aches?
- Any other sign of illness?

Staff: Our staff have been required to provide proof of vaccination. If they are unable to be vaccinated due to health reasons or sincere religious beliefs, they will be required to provide proof of a negative COVID test twice each week.
