# MIDDLE SCHOOL ARTS MURAL

We're excited to announce our newest on-site artwork. Created by the MMA Middle School Arts Spring session.

Instructor Juliet Wyse developed this collaborative project with our oldest students to leave their mark on MMA.

This will be the 10th piece of public art that has specifically been created for our site.

Special thanks to our teachers and interns who assisted in the mural coming to life!

## SCHOLARSHIP FUND

All proceeds from the sales of our delicious baked goods, and tote bags will be given to the FKA ABC/MMA Scholarship fund. Helping make moments like today possible!

Another shout out to Juliet who reimagined Maud's self portrait for our totes.
