### Scholarship Guidelines

#### Goals

Our organization is committed to providing accessible, high-quality programs for both children and adults. We strongly value a diverse community and strive to maintain an environment that reflects economic, racial, and cultural diversity. To help achieve this end, we have funds allocated for scholarships to cover partial and full tuition. Scholarships are intended for families who are not eligible for a state childcare voucher, but still demonstrate a need for childcare. For details on voucher eligibility, please visit the Child Care Choices of Boston website at [www.childcarechoicesofboston.org](http://www.childcarechoicesofboston.org) or call 617.542.5437. Fees for Maud Morgan Arts materials are not typically covered by scholarships.

#### Eligibility Requirements

Recipients of our scholarship awards often receive public assistance (WIC, food stamps, Section 8 housing, free or reduced lunch). We take into account gross monthly income, family size, and personal hardship. Families of 2 who earn an annual income of \$70,000 or less are eligible to apply. The annual income cap increases with the size of the household. Due to limited scholarship award funding, families and students must commit to regular attendance.

Children are expected to attend at least 80% of their scheduled enrollment. These policies and procedures are set forth to ensure that all applicants receive full and equal consideration. We reserve the right to make decisions on a case-by-case basis. We are committed to providing open communication and encourage you to contact us for support if you have any questions or concerns about your eligibility.

#### Procedure and Timeline

Scholarship applications are accepted on a rolling basis. Please allow 2-3 weeks for calculation of your award. Late applications will be considered if funding allows.
